Going to the Art Show!

It's hard to believe another year has flown by. My last year. Looking back at all the times I've shared with my friends and the St. Andrews community makes me happy and proud at what we have accomplished. There have been things I never would have done without St. Andrews. This yearbook is full of memories that we will take with us throughout the years. St. Andrews is more than class or extracurriculars. It is an experience. Thank you to everyone who helped make this possible!
